

Policy and Procedure: Complaints

Date of Board Approval: September 2017

Review date: September 2020

This policy statement sets out the school's approach to dealing with parental concerns and complaints.

We value good home/school relations and will, therefore, do everything we can to establish and maintain them. This includes seeking to resolve any concerns or complaints promptly, and to the satisfaction of all concerned.

We welcome feedback on what parents feel we do well, or not so well, as a school. We will consider carefully all feedback, whether positive or negative, and will review our policies and practices accordingly.

We will treat all concerns and complaints seriously and courteously and will advise parents and others of the school's procedures for dealing with their concerns. In return, we expect parents and other complainants to behave respectfully towards all members of the school community. In particular, any disagreement with the school should not be expressed inappropriately or in front of pupils.

All school staff and members of the governing body, will receive a copy of this policy statement and will be familiar with the school's procedures for dealing with parental concerns and complaints, to which they will have access as required. The policy is available on request to parents.

The school's procedures will be reviewed regularly and updated as necessary. Staff and Trustees will receive training in handling parental concerns and complaints as appropriate. This may be on an individual basis, or as a group activity for all staff, or for specific groups, such as the office staff or members of the governing body.

Whilst we will seek to resolve concerns and complaints to the satisfaction of all parties, it may not be possible to achieve this in every case. We will, therefore, use our option to close a complaint before all the stages of the school's procedures have been exhausted, if this appears to be appropriate.

The government and the local authority advocate resolution of parental concerns and complaints at school level wherever possible, in the interests of maintaining good home/school relations. The role of the local authority in advising parents and schools on the handling of concerns and complaints is set out in the school's procedures.

Khalsa Science Academy's Complaints Procedure

The majority of concerns from parents, carers and others are handled under the following general procedures.

To ensure you receive an effective response to your complaint, it will be helpful if you:

- co-operate with the school in seeking a solution to the complaint;
- express the complaint in full as early as possible;

- respond promptly to request for information or meetings or in agreeing the details of the complaint;
- ask for assistance if needed; and
- treat all those involved in the complaint, with respect.

The procedure is divided into three stages;

The informal stage aims to resolve the concern through informal contact at the appropriate level in school.

Stage one is the first formal stage at which written complaints are considered by the Principal or the Chair of Trustees, who has special responsibility for dealing with complaints.

Stage two is the next stage once stage one has been worked through. It involves a complaints appeal panel of Trustees.

How each of these stages operates is explained below:

Informal stage – your initial contact with the school

1. Many concerns will be dealt with informally when you make them known to us. The first point of contact should be your child's form teacher.
2. Once your concern is made known to us, we will see you, or contact you by telephone or in writing, as soon as possible. If it is necessary, all members of staff know how to refer to the appropriate person with responsibility for your particular issues. He or she will make a clear note of the details and will check later to make sure that the matter has been followed up.
3. Any actions or monitoring of the situation that has been agreed, will be communicated clearly and we will confirm this in writing to you.
4. If necessary we will contact appropriate people who may be able to assist us with our enquiries into your concern.
5. We will normally update you on the progress of our enquiries within 10 school days. Once we have responded to your concern, you will have the opportunity of asking for the matter to be considered further.
6. If you are still dissatisfied following this informal approach, your concern will become a formal complaint and we will deal with it at the next stage.

Stage one - formal consideration of your complaint

This stage in our procedures deals with written complaints. It applies where you are not happy with the informal approach to dealing with your concern, as outlined above.

1. Normally, your written complaint should be addressed to the Principal. If, however, your complaint concerns the Principal personally, it should be sent to the school marked "for the attention of the Chair of Trustees".
2. We will acknowledge your complaint as soon as possible after receiving it. This will be within five school days.
3. Normally we would expect to respond in full within 15 school days but if this is not possible we will write to explain the reason for the delay and let you know when we hope to be able to provide a full response.
4. As part of our consideration of your complaint, we may invite you to a meeting to discuss the complaint and fill in any details required.

5. Following the meeting, the Principal/Chair of Trustees will, where necessary, talk to witnesses and take statements from others involved. If the complaint centres on a pupil, we will talk to the pupil concerned and, where appropriate, others present at the time of the incident in question.
6. We will normally talk to pupils with a parent or carer present, unless this would delay the investigation of a serious or urgent complaint, or where a pupil has specifically said that he or she would prefer the parent or carer not to be involved. In such circumstances, we will ensure that another member of staff, with whom the pupil feels comfortable, is present.
7. If the complaint is against a member of staff, it will be dealt with under the school's internal confidential procedures, as required by law.
8. The Principal or Chair of Trustees, will keep written/typed, signed and dated records of all meetings and telephone conversations, and other related documentation.
9. Once we have established all the relevant facts, we will send you a written response to your complaint. This will give an explanation of the Principal's or Chair of Trustees' decision and the reasons for it. If follow-up action is needed, we will indicate what we are proposing to do. We may invite you to a meeting to discuss the outcome as part of our commitment to building and maintaining good relations with you.
10. If you are unhappy with the way in which we reached our conclusions, you may wish to proceed to stage two, as described below. If you wish to move your complaint to stage two, you should contact us within 5 school days.

Stage two - consideration by a Trustees appeal panel

- If the complaint has already been through stage one and you are not happy with the outcome as a result of the way in which the complaint has been handled, you can take it further to a Trustees' appeal panel. This is a formal process, and the ultimate recourse at school level.
- The purpose of this arrangement is to give you the chance to present your arguments in front of a panel of Trustees who have no prior knowledge of the details of the case and who can, therefore, consider it without prejudice.
- However, the aim of a panel is not to rehear the complaint. It is there to review how the complaint has been investigated and to determine whether this has been conducted fairly. It is there to establish facts and make recommendations which will reassure you that we have taken the complaint seriously.

The Trustees' appeal panel operates according to the following formal procedures:

1. The governing body will convene a panel of three Trustees and will aim to arrange for the panel meeting to take place within 20 school days.
2. You will be asked whether you wish to provide any further written documentation in support of your appeal.
3. The Principal or complaint investigator will be asked to prepare a pack of the documentation related to the investigation and the outcome for the panel. The panel can request additional information from other sources if necessary.
4. You will be informed, at least five school days in advance, of the date, time and place of the meeting. We hope you will feel comfortable with the meeting taking place in the school but we will do what we can to make alternative arrangements if you prefer.
5. With the letter, you will receive any relevant correspondence or reports regarding stage one and you will be asked whether you wish to submit further written evidence to the panel. Any additional documentation should be submitted prior to the review panel meeting.
6. The letter will explain what will happen at the panel meeting and that you are entitled to be accompanied to the meeting. The choice of person to accompany you is your own, but it is

usually best to involve someone in whom you have confidence but who is not directly connected with the school. They are there to give you support but also to witness the proceedings and to speak on your behalf if you wish.

7. In exceptional circumstances, and if it is necessary in the interests of the ratifying the investigative process, the complaint investigator may, with the agreement of the chair of the panel, invite relevant witnesses directly involved in matters raised by you to attend the meeting.
8. The chair of the panel will bear in mind that the formal nature of the meeting can be intimidating for you and will do his or her best to put you at your ease.
9. As a general rule, no evidence or witnesses previously undisclosed should be introduced into the meeting by any of the participants. If either party wishes to do so, the meeting will be adjourned so that the other party has a fair opportunity to consider and respond to the new evidence.
10. The chair of the panel will ensure that the meeting is properly minuted. You will receive the written outcome of the panel meeting which should give you all the information you require.
11. However, if you feel that you would like to have a copy of the minutes it would be helpful if you could indicate this in advance as such minutes usually name individuals and are understandably of a sensitive and therefore confidential nature. The clerk can then be asked maintain confidentiality in the minutes.
12. During the meeting, you can expect there to be opportunities for:
 - the panel to hear you explain your case and your argument for why it should be heard at stage two;
 - the panel to hear the complaint investigator's case in response;
 - you to raise questions via the chair;
 - you to be questioned by the complaint investigator through the chair;
 - the panel members to be able to question you and the complaint investigator; and
 - you and the Principal/complaint investigator to make a final statement.
13. In closing the meeting, the chair will explain that the panel will now consider its decision and that written notice of the decision will be sent to you and the Principal **within five school days**. All participants other than the panel and the clerk will then leave.
14. The panel will then consider the complaint and all the evidence presented in order to:
 - reach a unanimous, or at least a majority, decision on the case;
 - decide on the appropriate action to be taken, if necessary; and
 - recommend, where appropriate, to the governing body changes to the school's systems or procedures to ensure that similar problems do not happen again.
15. The clerk/chair of the panel will send you and the Principal a letter outlining the decision of the panel. The letter will also explain that you are entitled to have the handling of the complaint reviewed by the Secretary of State for Education.
16. We will keep a copy of all correspondence and notes on file in the school's records but separate from pupils' personal records.

Closure of complaints

- Very occasionally, a school and/or the LA will feel that it needs, regretfully, to close a complaint where the complainant is still dissatisfied.

- We, and the local authority where appropriate, will do all we can to help to resolve a complaint against the school but sometimes it is simply not possible to meet all of the complainant's wishes. Sometimes it is simply a case of "agreeing to disagree".
- If a complainant persists in making representations to the school – to the Principal, Chair of Trustees or anyone else – or to the local authority, this can be extremely time-consuming and can detract from our responsibility to look after the interests of all the children in our care.
- For this reason, we are entitled to close correspondence (including personal approaches, as well as letters and telephone calls) on a complaint where we feel that we have taken all reasonable action to resolve the complaint and the complaint has exhausted our official process. The local authority will support us in this position, and especially where the complainant's action is causing distress to staff and/or pupils.

We would advise parents that, unless the school is shown to have behaved unreasonably or not to have followed their own procedures, there is likely to be little further action that can be taken, as governing bodies are empowered to deal with many issues without reference to either the local authority or the secretary of state.
