

Policy and Procedure: Volunteer Working

Date of Board Approval: May 2018

Review date: September 2019

The school's volunteer policy is part of the school's safeguarding systems.

Introduction

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of pupils. The Trustees, therefore, welcome and encourage volunteers from the local community.

Please note that Khalsa Science Academy operates rigorous and transparent safer recruitment practices for all employees. Volunteers should not consider their role as a volunteer as a precursor to a paid position. As such volunteers should be aware that we do not promote a culture of 'foot-in-the-door' entitlement. Volunteers expressing this as a motivation for volunteering will not be accepted.

Khalsa Education Trust and this school are committed to safeguarding pupils, young people and vulnerable adults and expects its volunteers to share that commitment.

Our volunteers include:

- Members of the Governing Body
- Parents of the pupils
- Ex-pupils
- Students on work experience
- University students referred to us by Student Volunteer Services
- Ex-members of staff
- Local residents
- Friends of the school

The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as an additional tutor
- Accompanying school visits
- Helping in the provision of extra-curricular activities

Safeguarding

An activity is regulated activity in relation to children if carried out:

- In a school
- Frequently (once a week or more often), or on 4 or more days in a 30-day period
- By the same person, engaged in work for or in connection with the purposes of the establishment

- It gives the person the opportunity, in their work, to have contact with children

Day to day management or supervision on a regular basis of a person providing the above regulated activity for children is regulated activity for children.

Process for recruiting Volunteers who will be in regulated activity:

- A. Identify the need and role
- B. Attract candidates by means of a local advert/school communication system
- C. The candidate/s attend the school for an informal discussion to ensure the applicant is suitable for the role
- D. Enhanced DBS check undertaken
- E. The volunteer will be made aware of the role and responsibilities they will be undertaking
- F. If appropriate 2 references should be sought where the volunteer arrangement will continue on a regular basis
- G. Induction – school and corporate policies and documentation explained and issued. These to include Health and Safety, Behaviour Management Policies, Code of Conduct and Whistleblowing Policy
- H. Volunteer records to be kept in a central place within the school

Before starting to help in a school, a volunteer should complete the Volunteer Agreement (appendix 2), which sets out the school's expectations of its volunteers and to confirm they have received a copy of this Agreement. The school will seek DBS clearance for a volunteer before they come into school, to make an informed decision when accepting volunteers to work with children. This is not required where a volunteer is engaged in a 'one-off' activity.

Our school aims:

All adults/young people who work in our school, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school aims and educational purpose, as identified below:

- Nourish the diverse talents of our pupils, widen their horizons, develop their appetite for learning thus enabling them to live life to the full
- Bring to an individual the feeling that they can cope with their environment with a sense of confidence in themselves as a significant, competent person
- Encourage pupils to feel capable of handling situations which challenge their intellectual, personal, spiritual and moral values
- Encourage pupils to show tolerance of others
- Equip pupils to cope with adult life and work in a fast changing society

Our educational purpose is:

- To teach the national curriculum in a manner which excites the interest and commitment of the pupils and meets their present and future needs
- To develop attitudes, skills and knowledge which will be relevant to our learners as they prepare to meet the expectations of a changing society. We regard personal development as a lifelong learning process.
- To value all pupils equally whatever their stage of development and offer experiences which give them the maximum opportunities for success
- To afford all pupils equality of opportunity and to ensure that they are not discriminated against on the grounds of class, colour, gender, religion or disability

- To provide a partnership between schools, parents and the wider community to enhance the quality of teaching and learning at the school

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the pupils they work with/come into contact with should be voiced with the designated supervisors and NOT with the parents of the child/persons.

Volunteers who are concerned about anything in the school, which may affect their work should raise the matter with the Principal or appropriate senior member of staff. Any information gained at the school about a child or adult should remain confidential.

Supervision

All volunteers work under the supervision of a teacher or full time member of staff. Teachers retain ultimate responsibility for pupils at all times, including the pupils' behaviour and the activity they are undertaking.

Volunteers should have a clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem regarding the pupil's understanding of a task, behaviour of their welfare, volunteers must seek further advice/guidance from their designated supervisor.

Health & Safety

The school has a Health & Safety policy and this is made available to volunteers working in the school. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) and about any safety aspects associated with particular tasks (e.g. using DT equipment/accompanying pupils on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the designated Supervisor/Principal. Volunteers are covered by the school's Health & Safety Statement and indemnity and Public Liability Insurance.

Child Protection

The welfare of our pupils is paramount. To ensure the safety of our pupils, we adopt the following procedures:

- All volunteers are given a copy of the Volunteer Policy and asked to sign a Volunteer Agreement (Appendix 2)
- All of our volunteers must have been cleared by the Disclosure and Barring Service (DBS). An online DBS check will be issued to the individual to complete and once received certificates must be shown to the Principal.
- Where a volunteer is engaged in a 'one-off' activity e.g. helping supervise a group of pupils as part of a class visit, no formal checks are required. However, such volunteers, who will be under the constant supervision of school staff, must read and sign our Off-Site Visit Agreement (Appendix 3).
- Any concerns a volunteer has, about child protection issues, should be immediately referred to a designated person for child protection. This is the Principal, Mrs Davender Bahi.

Complaints Procedure

Any complaints made about a volunteer will be referred to the Principal or appropriate senior member of staff, for investigation. Any complaints made by a volunteer will be dealt with in the same way.

The Principal or designated member of staff reserves the right to take the following action-

- To speak with a volunteer about a breach of the Volunteer Agreement that this will not happen again
- Offer an alternative placement for a volunteer, e.g. helping with another activity or in another class
- Based upon the facts identified in the investigation it may be necessary for the School to inform the volunteer that the school no longer wishes to use them
- Provide the volunteer with a copy of the school's full Complaints Procedure

Monitoring and Review

This policy has been approved by the Governing Body and will be regularly reviewed and updated.

Appendix 3

Khalsa Science Academy – Off-site Visits Volunteer Agreement

School trips are an integral part of learning at our school and afford many pupils opportunities which are outside their usual experiences. We are pleased that you have come forward as a volunteer helper; you will have an important role to play in the success and safety of this school trip.

Please read and return this appendix, and sign and return the helper's slip.

This is part of our school's risk assessment planning and safeguarding arrangement.

Role of the Volunteer Helper:

- To be responsible and look after, in equal measure, all of the pupils in your group under the instruction of the Leader of the school trip
- To stay with your allocated group of pupils, ensuring that their wellbeing and safety is maintained for the total duration of the school trip
- To promote polite, respectful and courteous behaviour towards each other and members of the general public. We all go as ambassadors of our school!
- To ensure that your group keep up with the body of the school visit party, be it walking, entering or exiting from transportation or following speakers for the trip
- To contact your child's class teacher/member of staff if there are issues with first aid, safety and/or behaviour

Working alongside school staff

School staff expect volunteer helpers to:

- Comply with all of the above whilst being under the direct supervision of school staff
- Show a commitment to their group, an interest in the focus of the visit and assist pupils in their learning by helping them to read signs/labels/information, asking questions that encourage pupils to think about the task and help to explain the areas of interest
- Follow guidance from the school office

What is not permitted

- Volunteer helpers are not allowed to bring additional children e.g. siblings or children in the care of the volunteer on the school trip
- Volunteer helpers are not permitted to take photographs of pupils
- Volunteer helpers are not allowed to give/buy their group treats e.g. ice creams, biscuits, sweets – before, during or after the school trip

First Aid

You will be informed if any child in your group has medication/needs. If medicine needs to be administered, this will be done by a member of staff unless you are the Parent/Carer of the child who requires medicine, in which case you will be asked to administer this and be responsible for carrying the medicine.

All other medicines and first aid boxes will be carried by staff.

Emergencies

You are expected to inform a member of staff as soon as possible. If you have become separated from the rest of the school party, please telephone one of the members of staff on your contact list or telephone the school.

I have read the Volunteer Policy, I agree to the terms and conditions as stated in the policy, I will support the young people in enjoying the trip and actively contribute to the smooth running of the event.

I will treat any information I may hear about pupils as confidential and will not discuss or disclose it out of school.
