

English

The Day the Crayons Quit - Oliver Jeffers

We will focus on writing a formal letter of complaint.

- I can use formal language.
- I can use a range of conjunctions.
- I can use commas, question marks and exclamation marks appropriately.

PE- Mini Games

- Master and apply basic movements including running, jumping, throwing and catching and begin to apply these in a range of activities.
- Participate in team games, developing simple tactics for attacking and defending.

Science- Uses of Everyday Materials

- Identify and compare the suitability of materials for particular uses.
- Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.
- Understand the importance of recycling for the environment.
- Find out about the scientific achievements of John McAdam.

Topic

- We will explore the materials that everyday products are made from.
- We will look at the manufacturing process of paper and glass, to understand how some man-made materials are produced.
- We will research and design a new classroom, thinking about which materials will be best suited for different purposes.
- We will create a 3D representation of our improved classroom.

Year 2

What's it made of?

Art/DT

Plan and Design a classroom makeover

- Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups, and ICT
- Select from and use a range of materials and components, including construction materials, textiles and ingredients
- Evaluate their own ideas and products against design criteria.

International

- I am able to respect the individuality and independence of others.
- I am able to work with others where appropriate.

Maths

Money and Multiplication and Division

- Recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value.
- Find different combinations of coins that equal the same amounts of money.
- Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change.
- Understand and use the multiplication, division and equals sign.
- Understand that the multiplication of 2 numbers can be done in any order.

Other Subjects

Music - Exploring pitch. Use the voice expressively and creatively by singing songs, chanting and rhyming.

ICT/ Computing - We are Photographers. We will learn how to use technology to create, organise, store, manipulate and retrieve digital content.

Spanish - Names for animals and family members.

PSHE- Going for Goals

RE- How and why do people pray?

Explore and compare the similarities and difference between how and why different religions pray.
