## Welcome Back!

This half term your child will be covering the topics Shaping up and How Humans Work. Your body is the most valuable thing you will ever own. It's your job to keep your body fit and healthy because it has to last you a lifetime! We are going to find out how best you can do that.

In **English** we will be looking at Georges' Marvellous Medicine, Poetry and Explanation texts. We will be focusing on free verse monologue poetry and will also be carrying out a workshop with a poet. Our explanations will be all about the human body and how it works.

In **Science**, we will be focussing on Animals including humans, we will be looking at the human body and how we can keep ourselves fit and healthy. We will be focusing on our skeletons and muscles.

### **Welcome back the first Autumn term**

We hope you have enjoyed your summer break and are feeling refreshed and ready for the first term of year 3!

The teacher in Year 3 is Miss Myers the support staff is Mrs Kaur.

This half term we will be taking part in a poetry session, space week and many other exciting activities!

As part of our promotion of reading, I would invite any child that has read a book at home that they have particularly enjoyed, to bring it into school to share with the rest of the class!

Thank you for your continued support.
