

Friday 8th December 2017

Dear Parents and Carers,

On Friday 15th December 2017, Reception class will be having a Christmas party.

We would fully appreciate it if your child could contribute to the party by bringing in some food that is **SAVOURY**. All food/drink has to be meat, egg and nut free and should not contain gelatin. Please bring it in a labelled carrier bag as this would be much appreciated thank you!

As another special treat for end of term, it will be a non-uniform day on Friday 15th December. Maybe your child could come in a festive jumper?

They will also be taking part in party games and Christmas activities as a special treat for all their hard work this term.

We sincerely hope Miss Hurell will have recovered from her poorly foot and be back in school next week! If not Miss Bridges will be in class and/or supply cover.

Many thanks for your kind support and co-operation

Yours sincerely

Miss Hurell and Miss Bridges
Reception Teacher and Higher Level Teaching Assistant
