

English

- I can write a diary entry inspired by the Secrets of the Sun King.
- I can write an adventure story based on the Secrets of the Sun King.

Art and Design

- I can design and make my own tomb.

Science

- I can identify how sounds are made, associating some of them with vibration.
- I can recognise that vibrations from sounds travel through a medium to the ear.
- I can find patterns between the pitch of a sound and features of the object that produced it
- I can find patterns between the volume of a sound and the strength of the vibration that produced it.
- I can recognise that sounds get fainter as distance from the source increases.

Spanish

- I can say, write and read phrases related to body and clothing.

R.E.

- I can learn about and compare different creation stories.

International

- I can recognise some of the similarities and differences between the different home countries and the United Kingdom.
- I can understand the ways in which these similarities and differences affect the lives of people.

Year 4

Temples, Tombs and Treasures

P.E.

Invasion Games

- I can use running, jumping, throwing and catching in isolation and in combination.
- I can develop flexibility, strength, technique, control and balance (e.g. through athletics and gymnastics) and apply them in combination in a range of activities.
- I can play competitive games (modified where appropriate), applying basic principles suitable for attacking and defending.
- I can compare my performance with previous ones and demonstrate improvement to achieve my personal best.

Maths

- I can find the area of rectilinear shapes by counting squares.
- I can recognise and show families of common equivalent fractions.
- I can count up and down in hundredths and tenths.
- I can solve problems involving increasingly harder fractions to calculate quantities, and fractions to divide quantities.
- I can add and subtract fractions with the same denominator.
- I can recognise and write decimal equivalents of fractions.
- I can find the effect of dividing a one or two-digit number by 10 or 100.
- Convert between different units of measure [for example, kilometre to metre]

Geography

- I can explore types of settlements and land use, economic activity including trade links, and the distribution of natural resources.

History

- I can discover the achievements of the earliest civilisations, where and when the first civilisations appeared and complete an in-depth study of Ancient Egypt.

Computing

- I can edit and write using HTML.
