BIRD OF PREY VISIT AND PHOTOGRAPHS

Dear Parents / Carers

On Tuesday 15th October, the children will be given a talk about the ecology and conservation of Birds of Prey by Mr Alan Ames, the founder of Eagle Heights in Eynsford, Kent. They will be shown different birds and learn about them and their habitats.

Eagle Heights Foundation in Kent care for injured birds brought in by the public and the RSPCA. By bringing the birds to schools, Mr Ames highlights the need for conservation, and explains to the children about predators, ecology and adaption. They have reintroduced Buzzards to the Darent Valley and have also initiated a scheme to provide nesting boxes for Barn Owls amongst other projects, details of which can be found at www.eagleheights.co.uk

After the talk there will be an opportunity for the children to have their photograph taken holding one of the birds on their gloved hand. Each colour photograph will cost £5.00 with a mount and will measure 5" by 7" (siblings can have one photograph together). There is also the option to purchase additional photographs at £3.00 each.

If you wish your child/children to be photographed, please fill in the slip below return to school together with the money by **Friday 11th October 2019**. Without slips and payment, photographs cannot be taken.

The photographs will be sent home with the children approximately 3-5 days after the visit.

Yours sincerely

Miss G Myers
Science Co-ordinator
