

Did someone say **Pizza Party?**

As you know, our school lunches are now being prepared at school. We have been overwhelmed with the positive feedback from both the children and families.

There are many benefits to children having school lunches. As well as them getting a hot, nutritious meal every day it also means you no longer have to make packed lunches!

If your child is in Key Stage 1, School lunches are free! We would encourage as many children as possible to take advantage of this. So, our new Cook has decided to put on something special to get the children to give it a try.

On **Thursday 3rd October** we're having a special 'Pizza Party' (although there will be vegetables too!) and and who doesn't like pizza?!

If your child normally brings a packed lunch but would like to try school lunches that day, please let the School Office know asap so we can gauge numbers. We hope to see as many as possible Key Stage 1 children trying school lunches next week.
