**Year 6 SATs CGP Revision Workbooks**

Dear Parents/Carers,

As preparation towards the Year 6 SATs, we recommend that alongside work being done at school, children are also doing some extra revision at home where possible. CGP revision workbooks are a fantastic resource that contain SATs style questions for each subject, are relevant to what is being covered on the Year 6 curriculum and also contain answer pages so that work can be checked at home too. Although not compulsory, to order these workbooks at home, each revision guide is retailed at £5. However, if ordered through school, we can offer each revision guide at the discounted price of £2.50.

Revision guides available to order through school are as follows:

**For children aiming for the Expected standard:**

New KS2 English SATS Question Book - Ages 10-11 (for the 2020 tests)

New KS2 Maths SATS Question Book - Ages 10-11 (for the 2020 tests)

**For children aiming for Greater Depth:**

New KS2 Maths SATS Question Book: Stretch - Ages 10-11 (for the 2020 tests)

New KS2 English SATS Question Book: Stretch - Ages 10-11 (for the 2020 tests)

If you would like us to order any revision workbooks for your child, please complete and return the slip at the bottom of this letter with the correct money **by Friday 24<sup>th</sup> January 2020**. If your slip is not returned by this date, we will assume you do not wish to order any revision guides.

Yours faithfully,

Miss Daniels  
Year 6 Teacher
