

Monday 20th January 2020

Dear Parent/Carer,

Year 5 have been invited to take part in weekly Science Workshops at Allerton High School starting on Friday 24th February for four weeks. The children will walk to Allerton High School, escorted by staff, leaving at 9am and will be back in school by 11am.

This is a wonderful opportunity for the children to experience High School life and amongst other things they will be learning about:

- Lab safety and lighting a Bunsen burner
- Making hydrogen and oxygen
- Testing food for energy content
- Simple chemical reactions

There is no charge for this activity.

Please complete and return the attached form by Wednesday 22nd January at the latest to indicate your permission for them to take part.

Thank you.

Miss E Bowers
Year 5 Teacher

KSA PRIMARY
YEAR 5 SCIENCE WORKSHOP AT ALLERTON HIGH SCHOOL

Child's name

I give permission for my child to attend the Science Workshops at Allerton High School. I also give permission for photos to be taken and used on the school website or any other media.

Please give any medical information:
